

Communication to the market as per Art. 114 par. 5 Leg. Decree No. 58/98

Cagliari, April 1, 2019

In compliance with Consob request sent to the Company on July 14, 2009, pursuant to article 114, paragraph 5 of the Law Decree No. 58/98, the Company hereby provides to the market the following information concerning the Tiscali Group as at February 28, 2019.

NET FINANCIAL POSITION OF THE TISCALI GROUP AND OF TISCALI SPA WITH HIGHLIGHTING OF SHORT TERM COMPONENTS SEPARATELY FROM MEDIUM/LONG TERM COMPONENTS

As described in the press release of March 28, 2019, on that date the Company signed a restructuring agreement with Intesa San Paolo and Banco BPM on the Group medium-and long term senior debt and a further “Sale & Lease Back Sa Illetta” debt restructuring agreement with the Pool Leasing made up of Mediocredito Italiano and Unicredit Leasing.

The main elements of the senior debt restructuring agreement with Intesa San Paolo and Banco BPM are as follows:

- Extending the maturity of the debt as at 30 September 2024, with the consequent strengthening of the financial structure;
- New repayment plan defined as follows:
 - EUR 20 million prepayment to be made on 1 July 2019,
 - Pre-amortization period until March 2022, without further repayments,
 - 5 six-monthly installments of EUR 5 million starting from 31 March 2022 to 31 March 2024,
 - balance of the residual debt to be paid in full on 30 September 2024;
- Significant reduction in the total cost of the loan.

Likewise, with reference to the “Sale & Lease Back Sa Illetta” debt, the agreement signed on 28 March 2019 includes the following conditions:

- Return of the property in the possession of the leasing companies;
- Payment of an EUR 10 million indemnity to be made on 1 July 2019, against the cancellation of the concerned lease debt of around EUR 53 million;
- Concurrent subscription by the Tiscali Group of a 9-year lease agreement for the building, for an amount of approximately EUR 2.1 million, with the right to sublease the spaces granted to Tiscali.

The conditions and terms included in the proposed Debt Restructuring Agreements are not reflected in the financial statements as at December 31, 2018, nor in the Group's Net Financial Position reported in this Statement as of February 28, 2019, as they are configured as events subsequent to the date of reference of this Information.

Consistent with what was done in the 2017 Annual Financial Report and in the Financial Statements as at June 30, 2018 also in this Communication, due to the failure to comply with some financial covenants and the non-repayment of some the installments provided for by the original financial amortization plans of the Senior Loan and Sale and Lease back Sa Illetta Debt

(prior to the restructuring agreements signed on March 28, 2019), the Company has proceeded to classify the entire amount of the aforementioned loans as short-term financial payables in accordance with the International Accounting Standard 1 (IAS 1) provisions.
